3. 12-14 year olds are allowed to play in WesCo Jr Football while playing for their local school as long as they meet all league rules and requirements.
4. Weight Limits- There will be no weight limits for each division; however, each Peewee, 89er and Junior division team will be allowed a maximum of four (4) "Play Down" exceptions. The number of play down players each team can use will be determined by the need of each WJFL system member but may not exceed four (4) without an official petition being granted by WJFL. At the discretion of each franchise director or designee: A twelve (12) year old weighing **105 lbs.** or less may play at the Junior level; A ten (10) year old player weighing **80 lbs.** or less may play at the 89er level; and An eight (8) year old player weighing **65 lbs.** or less may play at the Peewee level. All play down players will be identified on the field (jersey or helmet mark) during the WJFL Jamboree.
5. A player can play in only one division and on one team per season.
 6. All official rosters, **Form 105**, will be set by the Friday before the first regular season game of the regular season (September 11, 2009). Head coaches must have their team's official roster with player's name, grade, age and game jersey number available on game day to verify player's eligibility if needed. Also, any player that moves down a division per Section IV must be noted on the official roster as such with his weight information added. **SECTION V
BOUNDARIES**

1. WesCo Jr Football member organizations will have no boundaries. Any player can play on any organization they sign up with. It's unfair to dictate to parents as to where it's best for their child to play.
2. A player that has never played before may be recruited by any member organization. A player must finish the season with the organization they start with for that year. The “start” date shall be considered the date upon which a registration form is completed, signed, dated, and submitted by the player's parent or guardian. A waiver may be sought to this rule by making petition to the WJFL board and upon a majority approval of the board.
3. A coach must finish the season with the organization they start with for that year.
4. If a player chooses to change to another organization from one year to the next, both organization presidents must be informed that this has happened. In some cases a player and or parent has been expelled (Examples: Owing fees, holding equipment, rules violations) from WesCo Jr Football and might be trying to play or coach while under expulsion. This will protect member organizations from these situations. A member organization can recruit a player that has participated on another team in WesCo Jr Football only if that player has not played in WesCo Jr Football for a period of one year.

**SECTION VI
GAME & PRACTICE REGULATIONS / OFFICIALS**

1. Each organization will provide their own home field and will be responsible for chains, yard markers, chain crew, and field supervision. It's also required of all home fields to have access to toilet facilities or Honey Buckets for all participants.
2. It will be the responsibility of the home organization to provide three competent referees for all regular season and playoff games played at that organization's home field. They must have experience at the youth or high school level. They must wear an official referee uniform and be at least 16 years of age (one official must be 18 years of age). WesCo member organizations are encouraged to share and retain referees so as a network of competent officials can be built and depended on for each week's games.

4. If the officials have not arrived at the field thirty (30) minutes after the scheduled start time of a game, the game must be rescheduled.

5. The visiting team is responsible to make sure that they do not have the same colored jerseys as the home team. Each organization must indicate their colors for home and away at the start of the season. In the interest of cost, it's desirable to use one color for home and away.
6. Each organization will operate their home field as the host and may elect to have concessions. It is not a requirement that a franchise have concessions. All teams must make sure that their sidelines are cleaned up after each game.
7. Game times will be set at the time the schedule is made. Field availability at each home field will also determine game times.
8. A game schedule meeting will take place in July or August prior to the first game of the year to establish a schedule for all games and playoffs. 10-YARD LINE OVERTIME PROCEDURE (CONDENSED)

If the game is tied at the end of regulation time, untimed overtime periods will determine a winner. During an overtime period each team has an opportunity for an offensive series of downs. However, an overtime period may include only one offensive series of downs if the defensive team scores a safety or touchdown.

1. A three-minute intermission will take place after regulation time.
2. Unused second half team time outs may be used in overtime. For each overtime period an additional time out will be granted.
3. A coin toss will take place with the visiting team's captain calling the toss while the coin is in the air. The winner will have the choice of offense or defense first, or of which end of the field the ball will be put in play. The loser will have the choice of the option not picked.
4. To start overtime, the offensive team shall put the ball in play, first and goal, on the defensive team's 10 yard line anywhere between the inbound lines. The first offensive team has a series of four (4) downs. That series shall be terminated by any score by the offensive team or if the defense gains possession of the ball. If the team scores a touchdown, it's entitled for a try unless the points would not affect the outcome of the game.
5. A field goal attempt is permitted during any down.
6. If the defensive team scores a safety or touchdown, the game is ended.
7. After the first team on offense has completed its series of downs, the first team on defense will become the offensive team and start play as at the 10 yard line as in line four (4) above.
8. If the score remains tied after each team has been given one series of downs in an overtime period, then the procedure shall be repeated with other overtime periods until a game winner is determined. In this case there shall be an intermission of two (2) minutes. At the subsequent meeting of team captains, the loser of the overtime coin toss will be given first choice of options. If additional overtime periods are required, then the first options will be alternated with no coin toss.

SECTION XII ETHICS

1. In any document one can find loopholes or ways to get around a rule. It's up to the individual organizations to police themselves so as not to break the spirit of the codes and rules. An organization is only as good as the people in it who are willing to play above board in an honest and trusting manner. The Western Conference Junior Football League was created to bring together strong independent youth football organizations. Who are willing to compete and operate without the interference of a central governing few who have only control and self-fulfillment as their goal. The dynamics of youth football demands that a youth football league be operated in this manner. This way allows the community, in which the organization resides to better serve that area, grow with the area and have a sense of ownership with the community.

Do whats right, not whats easy. We are being watched and listened to every minute we are with ballplayers. Stay positive! Here are a few things we were taught when we were little...

Treat others as you want to be treated. Remember the big picture, This is a kids game. If you have nothing good to say, don't say anything. You are a mentor to these kids. We should teach more than football- responsibility, discipline, leadership, respect, teamwork and good citizenship. **Do what we know as right!**
